Комплексные проекты оформления наружных пространств

Atlas Concorde's Outdoor Design range is completed and enriched by a wide range of decorations that can be used for covering walls of rooms, garden walls, benches and more. To ensure maximum style and design continuity even in the smallest details.

La gamma Outdoor Design di Atlas Concorde è completata e impreziosita da una vasta scelta di decori utilizzabili per rivestire pareti, muretti, sedute, volumi e altri elementi d'arredo. Per assicurare la massima continuità stilistica e progettuale fin nei più minimi particolari.

Das Sortiment Outdoor Design von Atlas Concorde wird durch eine breitgefächerte Auswahl an Dekoren für die Verkleidung von Wänden, kleinen Mauern, Sitzbänken, Volumen und anderen Einrichtungselementen vervollständigt und bereichert. Somit wird die maximale stilistische und entwurfsbezogene Kohärenz bis ins kleinste Detail sichergestellt.

La gamme Outdoor Design d'Atlas Concorde est complétée par un vaste choix de décors pour le revêtement de murs, murets, bancs, volumes et autres éléments d'aménagement. Pour assurer la plus grande continuité stylistique du projet jusque dans les moindres détails.

La gama Outdoor Design de Atlas Concorde está completada y embellecida por una amplia gama de decoraciones excelentes para revestir paredes, muretes, bancos, volúmenes y otros elementos de decoración. Ideal para asegurar la máxima continuidad de estilo y de diseño hasta en los más mínimos detalles.

Линейка уличной плитки Outdoor Design Atlas Concorde располагает широкой гаммой декоративных элементов для оформления наружных стен, подпорных стенок, скамеек и т.п. Это позволяет придать наружным пространствам стильную цельность и ухоженность до мельчайших деталей.

in & out aesthetic continuity

Thanks to Atlas Concorde's Outdoor Design it is possible to design exteriors as a natural extension of interiors. Outdoor spaces become the ideal setting for enjoying intense moments of peace and sharing, away from the daily grind.

Grazie ad Outdoor Design di Atlas Concorde è possibile concepire l'outdoor come una naturale estensione degli ambienti interni. Gli spazi esterni diventano il contesto ideale per assaporare intensi momenti di quiete e condivisione, lontani dalla frenesia quotidiana.

Dank des Outdoor Designs von Atlas Concorde kann das Outdoor als natürliche Erweiterung der Innenbereiche konzipiert werden. Die Außenbereiche werden zum idealen Rahmen, um intensive Momente der Ruhe und der Gemeinsamkeit auszukosten, weit weg von der Hektik des Alltags.

L'Outdoor Design d'Atlas Concorde permet de concevoir l'espace extérieur comme l'extension naturelle de l'espace intérieur. Les espaces extérieurs deviennent le cadre idéal où s'attarder loin de la frénésie quotidienne.

Gracias a Outdoor Design de Atlas Concorde, los espacios al aire libre se conciben como la extensión natural de los ambientes interiores. Los espacios exteriores se convierten en escenario ideal para disfrutar momentos de paz y de intercambio, lejos de la rutina diaria.

Благодаря линейке уличной плитки Outdoor Design от Atlas Concorde наружные пространства дома становятся естественным продолжением внутренних. В таких пространствах невероятно приятно уединяться или отдыхать в компании друзей вдали от повседневной суеты.

STONE LOOK

Leveraging the natural elegance of the stone effect, multiple inspirations for an outdoor design that blends in perfectly with the surrounding environment. The ideal choice for solutions with a contemporary design that combine character, authenticity and absolute performance.

Dall'eleganza naturale della pietra, molteplici ispirazioni per una progettazione outdoor che si integri perfettamente con l'ambiente circostante. La scelta ideale per soluzioni di design contemporaneo che coniughino carattere, autenticità e prestazioni di livello assoluto.

Zahlreiche Inspirationen in natürlich-eleganter Natursteinoptik für perfekt in die Umgebung integrierte Outdoor-Projekte. Die ideale Wahl für Lösungen von zeitgenössischem Design, die Charakter, Authentizität und Leistung von höchstem Niveau in sich vereinen.

Con la elegancia natural del efecto piedra, múltiples inspiraciones para un diseño de exteriores que se integre perfectamente con el entorno. La elección ideal para soluciones de diseño contemporáneo donde se conjuguen carácter, autenticidad y rendimiento absoluto.

L'élégance naturelle de l'effet pierre offre de multiples inspirations pour une conception outdoor qui s'intègre parfaitement dans l'espace environnant. Le choix idéal pour des solutions de design contemporain sachant allier caractère, authenticité et hautes performances.

Широкая линейка уличной плитки передает натуральную элегантность рисунка разных природных камней, чтобы затем органично вписаться в окружающий ландшафт. Идеальный выбор для современных дизайнерских решений, объединяющих сильную по характеру эстетику и превосходные эксплуатационные качества.

The antique effect of Aix stone, in the 20 mm thickness 120x120 cm size (47 1/4"x47 1/4"), paired with special dedicated pieces for the pool edge, creates continuity between the natural elements of meadow, stone and water. A masterful effect that enhances the pool in perfect stylistic uniformity with the rural context, ensuring the necessary performance for spaces characterized by the presence of water.

L'effetto antico della pietra di Aix, nel formato 120x120 cm a spessore 20 mm, in abbinamento ai pezzi speciali dedicati al bordo piscina, crea un percezione di continuità tra elementi della natura: prato, pietra e acqua. Un effetto passepartout che valorizza la piscina in perfetta uniformità stilistica con il contesto rurale, garantendo le performance necessarie per spazi caratterizzati dalla presenza di acqua.

L'effet ancien de la pierre de Aix, au format 120x120 cm de 20 mm d'épaisseur, associé aux pièces spéciales pour le bord de la piscine, crée une sensation de continuité entre les éléments naturels : gazon, pierre et eau. Un effet passe-partout qui met en valeur la piscine, en parfaite harmonie stylistique avec le cadre rural, tout en garantissant les performances nécessaires aux espaces comprenant de l'eau.

Die gealterte Optik des Aix-Steins im Format 120x120 cm mit einer Stärke von 20 mm, kombiniert mit den speziellen Formteilen für den Beckenrand, schafft eine Wahrnehmung der Kontinuität zwischen den Elementen der Natur: Rasen, Stein und Wasser. Ein Passepartout, der das Schwimmbad stilistisch perfekt dem ländlichen Kontext anpasst und die für nasse Umgebungen erforderliche Leistung gewährleistet.

El efecto antiguo de la piedra de Aix en formato de 120x120 cm y 20 mm de espesor, unido a las piezas especiales para el borde de la piscina, crea una sensación de continuidad entre los elementos de la naturaleza: campo, piedra y agua. El efecto paspartú realza la piscina a la vez que mantiene una uniformidad estilística perfecta con el entorno rural, lo que garantiza las prestaciones necesarias en espacios caracterizados por la presencia de agua.

Эффект старины камня, присущий плитам коллекции Aix формата 120x120 см толщиной 20 мм, в сочетании со специальными плитками для облицовки бортиков бассейна создает ощущение неразрывной связи природных элементов: травы, камня и воды. Такое обрамление создает эффект паспарту, усиливающий визуальное впечатление, создаваемое бассейном. С его помощью достигается совершенное стилистическое единство бассейна с окружающим сельским контекстом и одновременно удовлетворяются требования, предъявляемые к пространствам, характеризующимся наличием воды.

CONCRETE LOOK

Captivating ceramic proposals interpret and convey the expressive power of the material that has marked the history of modern architecture more than any other. A simple material and a strong technical character at the service of a new generation of outdoor design.

Accattivanti proposte ceramiche interpretano e tramandano la forza espressiva del materiale che, più di tutti, ha segnato la storia dell'architettura moderna. Essenzialità materica e una spiccata attitudine tecnica al servizio dell'outdoor design di nuova generazione.

Bestechend schöne Keramik interpretiert und überliefert die Ausdruckskraft jenes Materials, das mehr als alle anderen die Geschichte der modernen Architektur geprägt hat. Stoffliche Schlichtheit und ausgeprägt technische Vorzüge im Dienst des Outdoor-Designs der neuesten Generation.

De séduisantes propositions céramiques interprètent et transmettent toute la force d'expression d'un matériau, qui plus que tout autre, a marqué l'histoire de l'architecture moderne. Matériau minimaliste et grande aptitude technique au service du design d'extérieur de nouvelle génération.

Llamativas propuestas cerámicas interpretan y transmiten la fuerza expresiva del material que, más que ningún otro, ha marcado la historia de la arquitectura moderna. Esencialidad de la materia y una marcada aptitud técnica al servicio del diseño exterior de nueva generación.

Стильные плитки воссоздают на своей поверхности исключительную выразительность материала, который больше всех остальных озаменовал собой историю современной архитектуры. Лаконичный дизайн и высокие технические качества – на службе ландшафтного дизайна нового поколения.

MARBLE LOOK

The classic, timeless beauty of marble lives again in ceramic interpretations that create an inspired dialog between elegance and performance, esthetic refinement and technical quality. To convey to outdoor spaces the appeal of a material that has always been synonymous with stylistic richness and architectural nobility.

La bellezza classica e intramontabile del marmo rivive in interpretazioni ceramiche che danno vita a un ispirato dialogo tra eleganza e prestazioni, raffinatezza estetica e vocazione tecnica. Per tramandare anche nelle ambientazioni esterne il fascino di una materia da sempre sinonimo di ricchezza stilistica e nobiltà architettonica.

Die klassische und unvergängliche Schönheit des Marmors lebt wieder auf in Keramikinterpretationen, die einen inspirierten Dialog zwischen Eleganz und Performance, optischer Noblesse und technischer Exzellenz führen. Um auch Außenbereiche mit jenem überaus faszinierenden Material gestalten zu können, das seit jeher mit Stilreichtum und gehobener Architektur assoziiert wird.

La belleza clásica e intemporal del mármol revive en interpretaciones cerámicas que dan vida a un diálogo inspirado entre la elegancia y el rendimiento, el refinamiento estético y la vocación técnica. Para transmitir incluso en ambientes exteriores el encanto de una materia que siempre ha sido sinónimo de riqueza estilística y nobleza arquitectónica.

La beauté classique et indémodable du marbre est revisitée dans des interprétations céramiques qui donnent naissance à un dialogue profond entre élégance et performances, raffinement esthétique et vocation technique. Pour apporter également dans les espaces extérieurs, tout le charme d'un matériau qui est depuis toujours synonyme de richesse stylistique et de noblesse architecturale.

Классическая красота мрамора получает незаурядную интерпретацию в коллекциях плитки, органично соединивших элегантность и отличные эксплуатационные свойства, эстетическую утонченность и высокие технические характеристики. Все это – чтобы перенести и в наружные пространства притягательность материала, который во все времена считался синонимом стилистического богатства и благородства.

Sustainability / Sostenibilità

In the environmental and economic sciences, sustainability is defined as the condition of development capable of ensuring the satisfaction of the needs of the present generation without compromising the ability of future generations to realize their own. Several international certifications guarantee that the Atlas Concorde products meet the criteria of sustainable construction, attesting to their low impact on the ecosystem, compliance with declared standards and attention to comfort.

Nelle scienze ambientali ed economiche, la sostenibilità è definita come condizione di uno sviluppo in grado di assicurare il soddisfacimento dei bisogni della generazione presente senza compromettere la possibilità delle generazioni future di realizzare i propri. Diverse certificazioni internazionali garantiscono che i prodotti Atlas Concorde rispondono ai criteri del costruire sostenibile, attestandone il basso impatto sull'ecosistema, la conformità agli standard dichiarati e l'attenzione al comfort abitativo.

Certifications / Certificazioni

ISO 9001

In 1995 Atlas Concorde obtained ISO 9001 quality certification for its products. It is an international recognition referring to the company's entire quality system, from the receipt of raw materials to their transformation, from the distribution of the product to their placement on the market.

Sin dal 1995 Atlas Concorde ha ottenuto per i propri prodotti la certificazione di qualità ISO 9001. Si tratta di un riconoscimento internazionale riferito all'intero sistema di qualità aziendale, dall'ingresso delle materie prime alla loro trasformazione, dalla distribuzione del prodotto alla sua immissione sul mercato.

LEED V4

All Atlas Concorde porcelain floor and white body wall tiles can be used in projects that follow the guidelines of the GREEN BUILDING COUNCIL, which promotes the independent certification system LEED BD&C v4 (Leadership in Energy and Environmental Design, Building Design & Construction), whose parameters establish precise criteria for the design and construction of buildings that are healthy, energy efficient and with low environmental impact. All our products in porcelain stoneware and in white clay can therefore contribute to obtaining the LEED V4 rating of buildings, in relation to different areas: Sustainable Sites, Materials and Resources, Internal Environmental Quality.

Tutti i prodotti in gres porcellanato e in pasta bianca Atlas Concorde possono essere utilizzati in progetti che seguono le linee guida del GREEN BUILDING COUNCIL, che promuove il sistema di certificazione indipendente LEED BD&C v4 (Leadership in Energy and Environmental Design, Building Design & Construction), i cui parametri stabiliscono precisi criteri di progettazione e realizzazione di edifici salubri, energeticamente efficienti e a impatto ambientale contenuto. Tutti i nostri prodotti in gres porcellanato e in pasta bianca possono quindi contribuire all'ottenimento del rating LEED V4 degli edifici, relativamente a diverse aree tematiche: Siti Sostenibili, Materiali e Risorse, Qualità ambientale Interna.

EPD

Atlas Concorde also has an EPD declaration, which attests to the environmental sustainability of its products. The EPD (Environmental Product Declaration) also assesses the life cycle of a product, from extraction to production, transport, installation, maintenance, and cleaning. Atlas Concorde's EPD declaration was certified by the independent certifying body EPD ITALY.

Atlas Concorde dispone inoltre di una dichiarazione EPD, che attesta la sostenibilità ambientale dei prodotti. Anche la EPD (Environmental Product Declaration) valuta il ciclo di vita di un prodotto, dall'estrazione all'utilizzo passando per la produzione, il trasporto, l'installazione, la manutenzione e la pulizia. La dichiarazione EPD di Atlas Concorde è stata certificata dall'ente di certificazione indipendente EPD ITALY.

PEF

The environmental footprint of products (PEF, Product Environmental Footprint, according to Recommendation 2013/179/EU) is a measurement that, based on various criteria, indicates the environmental performance of a product or service over its lifetime, taking into account supply chain activities: from the extraction of raw materials, to the production, use, and end of life of the product. Atlas Concorde has a verified PEF. Atlas Concorde's PEF was verified by the DNV-GL certifying body.

L'impronta ambientale dei prodotti (PEF, Product Environmental Footprint, secondo la Raccomandazione 2013/179/UE) è una misura che, sulla base di vari criteri, indica le prestazioni ambientali di un prodotto o servizio nel corso del proprio ciclo di vita, tenendo conto delle attività della catena di approvvigionamento: dall'estrazione di materie prime, alla produzione, all'uso e fine vita del prodotto. Atlas Concorde dispone di una PEF verificata. La PEF di Atlas Concorde è verificata dall'organismo di certificazione DNV-GL.

FDES

Atlas Concorde has also drafted an FDES environmental declaration (Fiche de déclaration environnementale et sanitaire), this also having the purpose of transparently disclosing the product's impact, covering each phase from product extraction to production and finally laying and use.

Atlas Concorde ha realizzato inoltre la dichiarazione ambientale FDES (Fiche de déclaration environnementale et sanitaire), anch'essa con lo scopo di rendicontare in modo trasparente l'impatto del prodotto, a partire dalla fase di estrazione del prodotto, passando dalla fase di produzione, fino alla posa ed all'utilizzo.

HPD

Atlas Concorde has a HPD (Health Product Declaration) declaration, a complete report on the health characteristics of the finished product, compiled according to the HPD standard.

Atlas Concorde dispone della dichiarazione HPD (Health Product Declaration), un report completo sulle caratteristiche di salubrità del prodotto finito, compilato secondo lo standard HPD.

CAM/ISO 14021

An environmental declaration according to the ISO 14021 international standard, observance of Minimum Environmental Criteria, and the adoption of sustainability policies demonstrate Atlas Concorde's attention to environmental issues and allow the inclusion of its products in Green Public Tenders.

La dichiarazione ambientale secondo lo standard internazionale ISO 14021 ed il rispetto dei requisiti dei Criteri Ambientali Minimi permette ad Atlas Concorde, grazie all'adozione di politiche di sostenibilità, di dimostrare l'attenzione alle problematiche ambientali e proporre l'inserimento dei propri prodotti negli Appalti Pubblici Verdi.

MADE IN ITALY. MADE TO EXCEL.

MADE IN ITALY

The Made in Italy logo of Atlas Concorde stands for style, quality and ethics. Having firmly adhered to the Ethical Code promoted by Confindustria Ceramica, Atlas Concorde places the Made in Italy logo on all the products designed and produced in Italy, that is to say ceramic tiles, decorations and the majority of special trim tiles. Only a small amount of the latter is manufactured in Spain. Atlas Concorde products are produced using eco-friendly technologies, top quality and safe raw materials with the best working conditions guaranteed for our personnel. For these reasons, Atlas Concorde's Made in Italy is the expression of strong values such as style, design, product quality, and respect for the environment and the people who live in it.

Il marchio Made in Italy di Atlas Concorde è sinonimo di stile, qualità ed etica. Avendo aderito con convinzione al Codice Etico di Confindustria Ceramica, Atlas Concorde appone il marchio Made in Italy su tutti i prodotti studiati, progettati e realizzati in Italia, nella fattispecie tutte le piastrelle di ceramica, le decorazioni e la maggioranza dei pezzi speciali. Solo un ristretto numero di questi ultimi è fabbricato in Spagna. I prodotti Atlas Concorde sono inoltre realizzati con tecnologie rispettose dell'ambiente, utilizzando materie prime eccellenti e sicure, garantendo le migliori condizioni di lavoro. Per queste ragioni il Made in Italy di Atlas Concorde è espressione di valori forti quali stile, design, qualità del prodotto, attenzione all'ambiente e alle persone.

The Ceramics of Italy logo is an exclusive identification on ceramic products which have effectively been made in Italy by companies that are a part of the Confindustria Ceramica and who adhered to its Ethical Code. This Code, promoted and created by Confindustria Ceramica, commits all companies to communicate, clearly and with transparency, the origin of their products.

Il marchio Ceramics of Italy contrassegna esclusivamente i prodotti ceramici effettivamente realizzati in Italia da un'azienda associata a Confindustria Ceramica che ha sottoscritto il Codice Etico. Il Codice, redatto dalla stessa Confindustria Ceramica, impegna a comunicare con chiarezza l'origine dei prodotti.
